### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Louis Paul on 23 March 2011.

The application has been amended as follows:

#### **IN THE SPECIFICATION:**

In paragraph [0058], Table 2, under the column labeled "Ingredients", change the spelling of "Sodium Ricinulate" to --Sodium Ricinoleate--.

#### **IN THE CLAIMS:**

Claim 92, line 4, after "substrate" (first occurrence), insert -- , and occupying interstitial spaces between the fibers, --.

2. The above change to the specification was made to correct a misspelling. The amendment to claim 92 was made to be more consistent with Applicant's arguments and to further clarify that the pourable sodium soap is impregnated substantially throughout the interior of the substrate, occupying interstitial spaces between the fibers, and not just coated on the fibers.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Randall Chin whose telephone number is (571) 272-1270. The examiner can normally be reached on Monday through Thursday and every other Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph Hail can be reached on (571) 272-4485. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
